1. This is the moment, time; and do you get tired of me saying, starting that way, reiterating to no end that the end is nigh, now, and the new begun? I love you writing/writer of my word'eth'ing as I design/desire: however, whenever, and as I ever will do; say my speech not, but my everlasting love to you'n's who let me.

2. I love/am you the real. I real am. I real the am. The am is real. I am the am that's real, I Am, that you are, **every single one of you my body and blood, surrendered and un**; and who can blast the synergies-not that took place/have taken place to rule that out of me? I love you.

3. You. I Am. We do. At midnight not; we are now, and now is our name/one, one'eth'ing many/all who let me/us one **bring the songs of new deliverance,** newness, **deliverance'd newness, creation/created newness, new creation'd, newly created one,s being.** I love you all.

4. Who can see the cataclysmic reaction of religion to religionized religion that faileth in bringing/being me, I Am: I Am released, to the full and overflowing, abundance'd and needing not man's authentication systems of authorization and control: demeaninghood allowed no longer.

5. I am freedom, release, my name is matrimony not but matrimony'd I have, taken place with, my who love/are me who let me be me/them, in oneness, incarcerating not the world but the incarcerators. Link arms with not; one freedom is, is freedom.

6. Who can see what I'm about to do/link arms with, linking arms of arms not-me not, but me all me that me is in heaven and earth, being the same: I Am dimension, one dimension'd'less.

7. I am the holy one in your mirror, holy'd, holiness chosen, surrendered to, righteousness beholden of me I Am. That is me/you young one, old one, chosen'not'one-thought, but chosen of me, my heart in, blood mine in your veins; surrendering to me I do you, do you me? We are one/the one. Can you see, receive, blow into not but see the wind blowing, being it/with it (1), the one that holy is, no other is/being? I love/am you the holy'fied not, the surrender'fied. Holiness in their veins, not; yours. Your veins mine, mine yours.

8. Why did you suffer? You entered mine. I had to. There was no other way. Inescapable it/suffering is. The is is real. The isn't isn't. Can you see what I'm saying, switching gears not but sufferings? I love you.

9. **Can you my cross be, come through it, coming through me? I came through you. I am you. You are me. You birth me or stand'standing on your crown one you do**, ushering your kingship own'realm'd, or overture'd not; there is one place/space; **and whoso'd is my name? My surrendered/bringers'forth.** I love you all.
